Make it Trevanion

Trevanion House is a very special place - a beautiful old farmhouse that has been extended and adapted to become a modern hotel providing supported holidays for adults with learning disabilities.

It is set in attractive gardens and is situated on the edge of Wadebridge, a delightful town in North Cornwall.

Here you will find the highest standards of comfort and care.

There is so much to see and do in Cornwall. Magnificent scenery, fantastic coastline, nature at its best, all accompanied by history, myth and legend, superb food and opportunities for shopping.

Enjoy all this together with friendly staff, choice and good company.

# Need that little bit of extra help?

At Trevanion House we can deliver a personal package tailored to the individual.

If hands-on personal assistance is required, remember to let us know at the time of booking so we can agree the level of care and give a quote.

Guests needing the District Nurse while on holiday must arrange this prior to the visit, register with the GP surgery in Wadebridge, and tell us.

**With over 28 years of experience, we ensure you get the best service!**
