

# Need that little bit of extra help?

At Trevanion House we can deliver a care package tailored to the individual. If you require hands-on personal assistance, remember to let us know so we can agree the level of care needed and give you a quote.

Guests needing the District Nurse must arrange this prior to their visit, register with the GP surgery in Wadebridge, and tell us. We can provide the necessary form and number to call.

**With over 27 years of experience, we ensure you get the best service!**
