Cancellation Protection Scheme

Cancellation Protection Scheme

Once you have made a booking with us for a holiday, by completing a **Booking Form** which we have subsequently accepted, including the payment of a deposit, a contract exists and you will be liable for the **Cancellation Charges** set out in our Terms and Conditions.

All holidays booked with us are covered by our **Cancellation Protection Scheme** and the fee for this is automatically included with all bookings. This scheme offers protection, under certain circumstances, against your liability for Cancellation Charges if you are prevented from taking your holiday or have to return home early.

The present charge is 4% of the total cost on the Booking Form. This cost excludes charges arising from any additional services which are requested subsequently, unless otherwise notified to you at the time we agree to their provision. This charge will only be waived if you have a cancellation insurance with cover that is at least comparable with our Scheme and you provide documentary evidence of such at the time of booking the holiday.

Details of the scheme are set out below to guide you in the event that you wish to make a claim for a refund and/or remission of cancellation charges as set out in the Terms and Conditions which form part of your booking contract with us. The administration of your claim is by Trevanion House Holidays Ltd and our decisions on all claims will be final.

If, under this scheme, you are due a refund of monies already paid, the fee for the Cancellation Protection Scheme is non-refundable under all circumstances.

If you have to cancel your booking or curtail your trip, we will be able to refund certain costs, as detailed below, incurred by you, that are connected with the holiday, subject to the circumstances falling within the terms and conditions of this scheme.

A Medical Practitioner must confirm it is necessary for you to cancel your booking. You must then obtain a Claim Form from us and at your own expense have a Medical Practitioner complete the Medical Certificate on behalf of the person who has made it necessary for you to cancel.

If you have to cut short your holiday for medical reasons, you must consult a Medical Practitioner in the locality where the incident occurs and obtain at your own expense a Medical Certificate stating the date when the Medical Practitioner was first consulted, the nature of the illness or injury, the date the illness was diagnosed or injury sustained, and the date when the Medical Practitioner advised you to cut

short your holiday. If you have to cut short your trip due to the death, injury or illness of a close relative or business associate not travelling, you will be sent a Claim Form from by us and at your own expense must have a Medical Practitioner complete the Medical Certificate on behalf of the person who has made it necessary for you to curtail your trip. Receipts or accounts for ALL expenses incurred together with your Confirmation of Booking must be supplied with your completed Claim Form.

If You have to cancel your trip, you must notify us as soon as is reasonably possible and, in any event, within seventy-two hours to give us every opportunity to resell your holiday. Failure to notify us may result in a non refundable booking.

This scheme does not cover disinclination to travel, cancellation due to your financial circumstances or holidays or trips not honoured by your employer. Our scheme does not cover your dissatisfaction with the standard of your holiday accommodation and services provided or expenses in relation to services booked through suppliers other than us.
